SIMON DOS REIS SPEDSBJERG 177609698

Mandatory Assignment 3

Course: SE6-POM

Term: Spring 2023

Handed in: April 30, 2023

The Maersk Mc-Kinney Moeller Institute

University of Southern Denmark

1 Position statement

There is a lack of communication between the links in the management chain and who they manage, as management introduces new systems that either don't work or are not well received by the workers that are to use it. Starting new projects on a new system that is not incorporated into the working environment hurts the production.
